Our ability to pay is tied to
the market value at the time.

Wide fluctuations can
occur rapidly, so if you have
concerns, please call ahead.

If you have something else not
listed,
please call ahead to see if we are
able to help you.

COFFEE COUNTY RECYCLING started as
the dream of Bill Long and his daughter
Libby to provide our Southern Middle Ten-
nessee community with a viable option
for recycling and reusing our valuable re-
sources.

Over the years numerous programs were
evaluated to accomplish this, and even-
tually paper products became the main
emphasis.

Printed on recycled paper

Document Destruction

Paper, CD, Film
(cost to process)

Plastic

Shrink wrap
(call for pricing)

All other grades
(call for pricing)

Electronics/Lightbulbs

(cost to dispose)

Mercury Lamps
Fluorescent Ballasts
Electronic Batteries
Computers/Screens/TVs

We are now expanding
programs to address
the emerging concerns
of today's environment
and our customer's needs.
